The Naughty List

Santa's Milk & Cookies

Mrs. Claus shared her favorite recipe to help Santa unwind after a busy Christmas Eve. She starts with Tito's Vodka, coconut cream, and our house blend of vanilla-milk for an ice-cold shaken confection served in a vintage milk bottle adorned with Christmas cookie sprinkles. Garnished with a vanilla bean Pirouette for dipping.

Caramel Apple Pie Old Fashioned

The cocktail that evolves as it melts, this includes Heaven's Door Tennessee Bourbon, brown sugar simple syrup, and a sprinkle of nutmeg. We float a large apple cider-cube which will change the flavor when it melts! Garnished with star anise and a caramel sauce rim.

Hot Buttered Rum

Our famous multi-generational recipe for hot buttered rum batter makes its annual holiday appearance! House-made with cinnamon, nutmeg, clove, vanilla bean ice cream, brown sugar and organic butter served hot with Bumbu Spiced Rum. Garnished with a nutmeg sprinkle.

White Cranberry Martini

Lightly tart and refreshingly sweet, Mrs. Claus found herself on the Naughty List after a night out with the elves and one too many. Made with cranberry vodka, Cointreau, lime, and white cranberry juice. Garnished with whole raw cranberries.
